INTRODUCTION

This Annual Report relates to the period from July 01, 2022 to June 30, 2023. The Academic Year 2022-23 was another successful and important year for Jagannath University, Bahadurgarh. It was the year when processes were streamlined and the University gained wider recognition in its growth and progress and the number of students and staff increased. This Annual Report consists of Seventeen chapters, summing up all aspects of academic and administrative work of the academic year 2022-23. The details of various activities are reported in this Report.

The Vision and Mission statements of the University define the path of progress for future.

VISION

Our vision is to develop Jagannath University a Centre of Academic Excellence with a focus on quality education, research, skill development, industry interface and holistic concerns of human life, environment and society for the ultimate benefit of the youth of the country.

MISSION

The University aspires to achieve its vision by:

- Introducing innovative, job oriented and professional degree programs and promoting quality education, holistic concerns, skill development and industry integration.
- Preparing students equipped with relevant knowledge and competences to face successfully the challenges of modern organizations and global standards.
- Providing training in generic skills and personality development to enhance the employability of graduates.
- Engaging students and faculty in research, extension services, internships, community service projects, cultural and sports activities.
- Encouraging the use of digital technology and self-learning resources like MOOC, Virtual Labs, Online Academic Resources, Self Learning, etc. along with classroom engagements.
- Promoting a culture of excellence among students and faculty.
- Developing a sense of ownership and pride among employees to achieve organizational growth targets as well as their personal goals.

CORE VALUES

- ✓ Achieving quality, employability and affordability in education.
- ✓ Following holistic approach with concerns for human values, environment and society.
- ✓ Developing global competencies among students.
- ✓ Use of technology and digital resources for achieving excellence.
- ✓ Autonomy, transparency and accountability in governance.
- ✓ Bridging gaps between theory and practice with a focus on skill development and industry interface.
- ✓ Contribution to National Development by preparing youth to handle higher levels responsibilities in life.

QUALITY POLICY

Jagannath University Bahadurgarh, is committed to imparting quality education and strives to be a globally recognized centre of excellence in higher education. It aspires to achieve it by:

- i) Ensuring topical and outcome based relevant curriculum,
- ii) ICT based effective delivery mechanism,
- iii) Relevant research and consultancy,
- iv) State-of-the-art infrastructural and learning resources,
- v) Active involvement of stakeholders and industry experts in decision making,
- vi) Creation of congenial and conducive students' centric work environment,
- vii) Orientation and subject specific induction of students
- viii) Induction training and FDPs for new faculty
- ix) Examination reforms commensurate with CBCS, and
- x) Transparent and effective governance

Declaration

I have the honour to present the 10th Annual Report of Jagannath University, Bahadurgarh, Haryana for the Academic Year 2022-23 to the Board of Management of the University. This Report is being submitted under the provisions of sub-section (1) of Haryana Private Universities Act, 2006.

Registrar

MESSAGE FROM THE VICE CHANCELLOR

We welcome you at Jagannath University, Bahadurgarh (JNUB), which is an institution committed to provide graduates not only quality education in an area of chosen discipline, but also tools for continuous learning, creativity, intellectualism, leadership and high human values. Being aware of the issues concerning higher education in today's global competitive world like quality, employability, skill development, affordability, etc., the University has developed its systems to prepare students with right type of knowledge and skills to perform constructive roles in Nation building and success in career.

The University has adopted Choice Based Credit System (CBCS), which provides scope for interdisciplinary and multi-disciplinary learning, providing students freedom in choice of courses and credits. The Academic System of the university is unique and capable to promote quality, skill oriented, industry integrated and holistic education to students, thereby giving them a competitive edge at national and global levels.

The university education is more than academics. Choosing a university is one of the important decisions in one's life. JNUB is offering UG, PG and Ph.D. Research Programs in various disciplines including Engineering and Technology, Architecture, Management, Commerce, Legal Studies, Journalism and Mass Communication, Teacher Education, Physiotherapy, Pharmacy, Agriculture Science and Vocational Studies.

Our vision is to promote excellence in academics, provide education which is affordable and fulfilling students' aspirations. We are proud of JIMS Group contributions in higher education and would ensure that this reputation is strengthened further by making this institution as one of the leading universities in the country.

(Prof. H. L. Verma)

ABOUT THE UNIVERSITY

Jagannath University, Bahadurgarh, Haryana has been promoted by Jagannath Gupta Memorial Education Society, established under Haryana State Legislature Act No. 8 of 2013, and approved under Section 22 of the UGC Act, 1956. It started its operations with effect from Academic Session 2013-14 on its own 26 acre campus located at State Highway-22, Bahadurgarh-Jhajjar Road, Dist - Jhajjar.

The University has launched UG, PG and Ph.D programmes as per the approval of DHE, Govt. of Haryana in the Faculties of Engineering and Technology, Management, Commerce, Law, Agriculture, Physiotherapy, Pharmacy, Paramedical Sciences, Teacher Education and Vocational Education. The University aims to impart high quality education and promote employability among youth. To achieve it, the University has developed good physical and academic infrastructure, recruited qualified and experienced faculty, and has state-of-the-art classrooms, laboratories and other facilities. To ensure adequate practical exposure to learners, among other things, the technical programs are being implemented with an adequate component of industry exposure.

ABOUT THE SPONSORING SOCIETY

Jagannath Gupta Memorial Educational Society is a non-profit organization established in 1993, registered under the Indian Societies Registration Act of 1860, with the objective of earnestly serving the academic and professional education needs of students in the country. The Society, established in the memory of Late Sh. Jagannath Gupta, an industrialist and educationist, has been imparting quality technical and professional education for more than two decades through its various institutions in the States of Delhi, UP, Haryana and Rajasthan. The Society is managed by promoters having a background of academics, industry and business. The Society is fully devoted to the cause of quality professional and technical education.

➤ The Society has achieved a complete integration in higher education offering opportunities to students' from the graduate level to Ph.D. level. In higher education, the Society is providing educational services mainly in the areas of Management, Information Technology, Pharmacy, Engineering, Architecture, Law, Journalism and Mass Communication, Physical Sciences, Agriculture Science, Physiotherapy, Allied Health Sciences and Teacher Education. At present, the Society has a combined strength of more than 10000 students and more than 600 faculty members.

- The Society has never ignored its social responsibility. It has always been discharging this responsibility right from its inception in various ways. This CSR initiative was formalized by setting up Skill Development Centre (SDC) - an initiative to enhance employability among the underprivileged youth of the Indian Society. On completion of its 29 years of existence, the Society once again rededicates itself to the cause of quality education, human resource development and the nation building.

TRAINING & PLACEMENT

Jagan Nath University, Bahadurgarh, has a separate Training & Placement Cell which constantly works to invite companies from various sectors to explore placement opportunities for the deserving students. The cell provides training to the students to foster professional values and work ethics along with grooming their personality and communication skills. The Industrial Projects taken by the students as the integral part of the study during Internships help the students to practice class learning in real situation. As a fact, many of the students get employment in the same organizations. The department holds Industrial Visits which provide the ideal opportunity for the students to understand the real functioning of the industry and get exposed to different work cultures. Training and Placement Cell also supports feasibility in collaborations and bilateral tie-ups with different Universities for various courses at UG and PG levels and strives to provide a platform to the students to study culture consciousness.

The cell keeps the record of all the students of the university in an open access system (wherever required) in order to provide them better career opportunities. We also invite companies from various sectors to run a placement drive for all our eligible students. For this purpose Job fairs are organized from time to time. The T&P Cell remains involved actively during the entire selection process on individual basis. The entire mechanism of provision of training and placement for all our students is governed by meeting the norms of industry and local, state and central governments guidelines.

Training and development initiatives are educational activities within an organization that are designed to improve job performance The activities involve advancing students' knowledge and skill sets and instilling greater motivation.

Our Training and Placement Cell has conducts campus drives and online interviews. The qualified students are placed in the company with a salary up to 5 LPA . The top recruiters of our students are Hanu Capus Haring, Noduco, Axelor, Intellipaat, Ids InfoTech Ltd., In Moovidu Technologies, Datopic Technologies Pvt Ltd., Intecons Software Lab, Primathon Technology, Zenith Envirment Consultancy, Crystal Crop Protection Ltd, Innidata India Pvt Ltd, Apollo Pharmacies Ltd, Sushima Pharmaceutical Pvt Ltd., Bigbasket, Agricare Coporation etc.

MEMORANDUM OF UNDERSTANDING

1. A Memorandum of Understanding (MoU) was signed on 3rd November, 2022 between Impartus Innovations Private Limited and Jagannath University, Bahadurgarh, Impartus Innovations Private Limited is engaged in providing higher education and industry oriented online certificate programmes to the students. The objectives of this MoU are offering higher education and Industry relevant certification programmes for the potential students of Jagannath University.
This MoU will offer a golden opportunity to the students of Jagannath University, Bahadurgarh, and hence they will be benefitted from different programmes offered by Impartus Innovations Private Limited.
2. A Memorandum of Understanding (MoU) was signed on 12th October, 2022 between ISDC Projects India Private Limited and Jagannath University, Bahadurgarh, regarding exploration and providing facilities in various sectors. The objectives of this MoU is to provide Overseas Higher Studies Options for Jagannath University Graduates. ISDC Projects India Private Limited will provide articulation arrangement/credit exchange to Jagannath University, Bahadurgarh, students. Semester Exchange Program is one of the highlights of this MoU. ISDC will also provide Faculty Development Programs for the upliftment of the faculty of Jagannath University, Bahadurgarh. Other highlights of this MoU are having Joint Research Collaborations, providing Short Term Master Classes and providing International Conferences and Seminars/Events.
3. A Memorandum of Understanding (MoU) was signed on 31st January, 2023 between International College of Financial Planning Limited under the brand name 'International College of Fashion' and Jagannath University, Bahadurgarh, regarding B.Voc. degree Program in Fashion Design & Technology. The major component of skilling is envisaged by the recently introduced National Education Policy, commonly referred to as NEP 2020. The highlight of this MoU is to conduct B.Voc. degree program in Fashion Design & Technology and other skill-based courses of shorter duration at different centers as per agreed terms.

INFRASTRUCTURE

The detail of various infrastructure facilities available is highlighted as under:

A. CLASS ROOMS

Teaching is not just loading the students with lectures and lessons. It is more about promoting their comprehensive skills through different pedagogical methods and tools. Classroom learning at JNUB provides the most conducive environment for dynamic and focused discussions. It has been deliberately designed to bring together analysis with action and is augmented by well-equipped facilities. Each classroom is air-conditioned as well as Wi-Fi enabled which provides a continuous access to internet for better comprehension. The classrooms are equipped with multimedia and audio-visual aids to facilitate effective learning and thereby promoting maximum interaction between faculty and students.

Classroom learning is intense and interactive, where students learn the latest technologies, tools and knowledge to face the dynamic changing - world realities. The concepts taught in classes form the basis, while actual learning occurs through constant interaction between faculty and students and practical exposure. The teaching learning process is carried out through the use of LCD projectors. This helps the students in understanding real world corporate situations and prepares them for the battle that lies ahead. The University has four teaching blocks to provide sufficient space for classrooms for the existing courses.

B. LABORATORIES

The University has well equipped separate labs for each program for teaching and research. The labs take care of the instruction on fundamentals to all students. Students use resources of laboratories to solve problems, perform developmental experiments and work on projects guided by faculty. By granting longer hours lab facility and access to the network in each classroom and lecture theatre, information is easily accessible from any point within the campus. The experiments are designed to provide deeper understanding of phenomenon, facts and fabrication/assembling of equipment from components to get hands-on experience. The drudgery of repetitive measurements is reduced by shift forwards microcomputer-based laboratory which allows the detailed analysis and interpretation of acquired data for our students.

C. CONFERENCE ROOM

The state-of- the-art Conference Room of the University is spacious, well-furnished and well-equipped with all the information and communication tools and interfaces for facilitating multimedia presentations by the students, the faculty and the visiting scholars. This hi-tech facility is alternatively used from time to time for mock group discussions, personal interviews and quiz sessions, debates, declamations and for many other activities meant for equipping the students with soft skills and corporate attitudes.

D. LIBRARY

The University library has fast emerged as an epicentre of knowledge, information, research material and all other technical logistics absolutely needed for moving in gear with global knowledge scenario. We have a spacious library which is automated and well stocked with the latest text books, reference material, national and international journals and periodicals, dissertations and thesis. The latest reference and research material is available both in print and digital formats. We have a number of presentation files, discussion papers, government publications, reports and newsletters, project reports, CDs, e-journals, back volumes as a support for management, information technology, economics etc. The library has ‘Book Bank’ facility to give textbook support to students. We have around 18700 books in our library at present. We also have online database i.e. Delnet Membership, which provides online access of selected E-books, E-Journals (National and International), Articles and Supreme Court Cases online Database. We have an access to Supreme Court Cases (SCC) for the students of Department of Law. The platform of National Digital Library at the university has been built by the MHRD in collaboration with IIT Kharakpur.

E. UNIVERSITY COMPUTER CENTRE (UCC)

In order to empower different courses being taught in the University, UCC has created a fairly rich e-infrastructure. UCC is fully equipped to help and empower all other academic modules. Our IT resources are future savvy and adaptable for future changes. The UCC has high speed Intel i5 12th Generation 4.40 GHz windows 2011, server 2022 based networking system. UCC is enriched with Scanners, LCDs, Laser Printers, Combo Drivers and Web Cam for video Conferencing and other purposes. The Centre caters to the needs of the students and faculty under one roof.

F. HOSTELS

This University renders services not only to the learning needs of the day scholars of Haryana State and Delhi-NCR but also to the scholars coming from far flung areas. The University at present has separate hostels for Boys and Girls. The hostel rooms are spacious, well furnished, comfortable and with proper learning environment. The hostels have 24 hours Wi-Fi internet facility, indoor sports facilities and gym. The hostels are equipped with generators to provide 24 hour electricity. Round the clock security in terms of CCTV, male and guards, separate for both the hostels is enforced for constant vigilance and surveillance. The hostel mess is run under the care and guidance of the respective Hostel Wardens.

G. SPORTS

To provide a break to the students from busy schedule of academics, the students are encouraged to play games and participate in physical exercises. This also promotes companionship and comradeship among the students. Facilities and grounds have been provided for Cricket, Football, Basketball, Volleyball, Badminton and Athletics. Facilities for indoor games like Chess, Carrom Board and Table-Tennis is available at the University. To encourage competition and sportsman spirit, sports competitions are regularly held. Outstanding sportsmen are encouraged to participate in matches and competitions are held by other institutions including the competitions organized by AIU.

SPORTS INFRASTRUCTURE DETAIL

Play Ground(s) for outdoor sports	<ul style="list-style-type: none"> • 200m Running Track field • 90 Sq. Yard Cricket Ground
(a) Athletics, Football, Hockey, Cricket, etc.	<ul style="list-style-type: none"> • Football Ground 90×50 Mt • Volley Ball Ground 60 Ft×30Ft • Cricket Practice Net 35 Sq.Mt.
(b) Track for Athletics	<ul style="list-style-type: none"> • 100 Mt. Running Track • 200 Mt. Running Track

H. CAFETERIA

The University has a well-furnished and spacious canteen. It is managed by experienced staff. The staff and space is checked for hygiene and cleanliness periodically by the Committee headed by the Registrar. Students are provided with snacks and meals at very competitive rates. These rates are fixed by the Committee periodically. The dining area is provided with aesthetic furniture and other facilities.

I. TRANSPORT FACILITY

Jagannath University, Bahadurgarh, has arranged excellent transport facility to save students' precious time and hassle-free commutation. The University has its own fleet of buses which provides connectivity with all the rural and urban areas of Delhi, Gurgaon, Rohtak, Bahadurgarh, etc., to ensure timely and comfortable journey to and from Campus. These buses undergo periodic maintenance to ensure reliable and comfortable operations. Students have the convenience of boarding the University buses from the designated pick-up points, this facility is meticulously being managed by the University Staff. The students are charged reasonable fee to avail the bus facility.

J. FIRST-AID

University-level first aid services play a crucial role in ensuring the well-being of students, faculty and staff within academic institutions. These services go beyond basic medical assistance, offering a comprehensive approach to emergency response and health support.

First-aid teams at Jagannath University comprises of trained professionals and volunteers equipped to handle a range of medical situations. They provide immediate assistance during accidents, illnesses, or any health-related emergencies on campus. This includes administering basic medical care assessing injuries, and facilitating the prompt transfer of individuals to healthcare centers when necessary.

Moreover, university first-aid services contribute to creating a safer and more secure campus environment.

UNIVERSITY ACTIVITIES SESSION 2022-23

i. SC/ST/OBC Cell

The University has a separate SC/ST/OBC Cell to help students coming from SC/ST/OBC background to provide guidance, counselling and help in educational matters like admissions in courses in the areas of their competence, the management aspects of education while in the institution and drawing benefits of various schemes of the State and the Central Governments specific to the SC/ST/OBC students.

The Cell guides and helps students for easy and effective processing of scholarship proposals for SC/ST/OBC students. The SC/ST/OBC Cell helps concerned students to fill scholarship applications and to upload them with all the relevant documents for timely release of scholarship money from the Government, ensuring transparency and visibility. The Cell also takes care of the welfare of such students in all walks of life including the socio-economic, cultural, academic and professional aspects.

ii. SCHOLARSHIPS

The University offers various scholarship:

Sr. No	Percentage Marks in Qualifying Examinations	Current Scholarship (% of Tuition fee)	Girl Child Scholarship Based on 12th Marks
1	95% and above	50%	65%
2	90.0% - 94.99%	40%	60%
3	85% - 89.99%	30%	40%
4	60% - 84.99 %	15%	20%
5	Haryana Domicile	100%	According to the provisions of the University ACT (Haryana Domicile Students only)
		50%	
		25%	
6	PMS (Post-Matric Scholarship)	100%	Applicable for Haryana SC Students only with Family Income less than 2.50 Lacs (Annually)

iii. NSS

The Department of Higher Education, Government of Haryana, has sanctioned a unit of 100 students under National Service Scheme to JNUB. The students are encouraged to opt for enrolling themselves for NSS activities towards service to the society. The activities include various activities related to cleanliness, social and health concerns, blood donation and imparting awareness among people about their social and legal rights. The NSS volunteers can contribute greatly towards Green and Clean India Mission of the Government and learn working in diverse areas on the principle of unity in diversity.

INDEPENDENCE DAY

The Independence Day celebrations at Jagannath University Bahadurgarh, were held on August 15, 2022, with great enthusiasm and patriotic fervour. The event was attended by students, faculty members, and staff of the university. The celebrations began with a flag-hoisting ceremony by the Registrar, Prof. Poonam Malik. The National Anthem was sung by the students and faculty members with great pride. Following the flag-hoisting ceremony, Prof. Poonam Malik delivered a patriotic speech. In her speech, Prof. Poonam Malik paid tribute to the freedom fighters who sacrificed their lives for the independence of our country.

TEACHERS' DAY

Teachers Day is celebrated on 5th September in remembrance of Dr. Radhakrishnan, who was a strong believer in education and was a well-known diplomat, scholar and above all, a teacher. To carry forward this tradition, Cultural Club Jagannath University, Bahadurgarh celebrated this occasion with much fervour and enthusiasm.

The Program started with the lightning of lamp and “*Saraswati Vandana*”.

Prof. Poonam Malik, Registrar addressed the audience and added in her speech that a good teacher is a pillar in the life of students. She motivated the students to become good and honest persons. She emphasized on devotion, determination and dedication of a teacher for this profession.

Students from all departments participated with zeal and enthusiasm. The University Auditorium was full with the students and teachers. Students exhibited their talent and devotion towards teachers through speeches, poem recitation, dancing and singing.

Along with the students, the teachers also participated in the event. Ms. Deepika, Dr. Preeti, Ms. Reema and Ms. Preeti gave wonderful dance performances. The audience was mesmerized with the beautiful gazal by Mr. Deepak.

Dr. Varun Arora, Dean Academics, motivated students to attend classes on regular basis and to focus on their career.

The function concluded with formal vote of thanks by Prof. Pragi, Convener, Cultural Club who also assured the audience of conducting these types of activities in future also for overall development of the students. Overall, the program was well organized and enjoyed by all.

HINDI DIWAS

Jagannath University celebrated Hindi Diwas on 14th September, 2022. It is a day dedicated to our National Language, Hindi. It marks the day on which Hindi language was declared as the official language of Union of India. On this occasion, all the dignitaries inspired the students for the importance of Hindi language. On this occasion, events like 'Dhoha Path, Kavita Path, Poster making and Speech Competition were organized and the students participated with great zeal and enthusiasm. The event aimed to raise awareness about Hindi as one of India's official languages and encourage students to engage in various Hindi language-related activities, including poem recitation and essays.

DIWALI FEST

Diwali is a festival of lights & symbolizes the spiritual “victory of light over darkness, good over evil, and knowledge over ignorance. Jagannath University, Bahadurgarh, organized a “Diwali Fest” on 21stOctober 2022. All the students and teachers celebrated it with great enthusiasm.

The program started with “*Saraswati Vandana*” at 11.00 am. The University auditorium was fully decorated with lights and artwork made of eco-friendly products. Diya making and Rangoli competitions were conducted as part of the Diwali celebration prior to the programme. Various slogans were written on the walls of the auditorium about the cause of air pollution, light over darkness, and good over evil. Various cultural programs like songs and dances were presented by the students.

Honourable Registrar Prof. Poonam Malik gave an energetic speech on eco-friendly Diwali. She also requested all the people not to use firecrackers as they cause a lot of air pollution. Stalls of eatables of all sorts were also a part of the Fest and were relished by one and all. Students and Staff members heartily enjoyed the event by dancing and grooving to the dance numbers played by the DJ.

SPORTS MEET

Annual Sports Meet 2023 was organized in the University premises. It was a three days event, from February 09 to 11th Feb 2023. Various indoor and outdoor games like Cricket, Football, Kho-Kho, Kabaddi, Volleyball, Basketball, Shotput, Tug of War, Long Jump, High Jump, Races, Carrom, Chess, Table Tennis were organized during the meet. Students from all the departments participated in all the games with great zeal and enthusiasm.

The event started with inaugural address by Prof. V. K. Aggarwal, Hon'ble Pro Chancellor, Jagannath University, Jaipur, followed by March Past by all the participants. First game was Tug of War which was organized on February 09, 2023. After that, Volleyball, Races, Badminton (boys), Basketball, Carrom were organized simultaneously at different venues.

On the second day i.e. February 10, 2023; Shotput, Long Jump, High Jumps, Javelin Throw, Football, Kho-Kho, Kabaddi, Chess were organized simultaneously at different venues. All the final matches were conducted on last day i.e. on February 11, 2023 followed by prize distribution by respected registrar Prof. Poonam Malik and other Deans/HoDs.

INTERNATIONAL WOMEN’S DAY

International Women’s Day was celebrated at Jagannath University, Bahadurgarh, on 6th March, 2023. The purpose of celebrating Women’s Day was to sensitize the students about “Gender equality and Women's Empowerment”.

The theme for International Women’s Day 2023 was “*DigitALL: Innovation and technology for gender equality*” i.e. Digital innovation, technology and education are game changers in improving health outcomes for women and girls and enhancing their privacy and autonomy.

At the very outset Prof. Poonam Malik, Registrar gave a short speech on Women’s Day. She highlighted that woman is the most powerful and beautiful creation of the God. Women are perfect entities to be celebrated. Dr. Pragi, Dr. Manila, Dr. Preeti, and Ms. Poonam Dahiya talked about how a woman can change the fate of those around her with a simple laugh, how she turns gloom into happiness and brings light in darkness. She may be submissive and quiet, but she is the one who changes one’s life. The function concluded with formal vote of thanks by Prof. Pragi, Convener, Cultural Club. The program was well organized and enjoyed by all.

WORLD ENVIRONMENT DAY

JNUB family celebrated World Environment Day on 5th June, 2023 to raise awareness about environmental issues. It is a day that reminds everyone on the planet to get involved in environment friendly activities. Hon'ble Registrar Mam, students and faculty members planted saplings in the campus. Department of Law, Pharmacy, Management, Agriculture, Science and Physiotherapy adopted one plant each to boost forestation to save mother earth. Students of various departments participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling each to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

INTERNATIONAL YOGA DAY

International Yoga Day is observed every year on 21st June in order to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a physical, mental and spiritual practice. It plays an important role in relaxing the mind and body and boosting people's immune system. Jagannath University Bahadurgarh organized Yoga Protocol Training Program in which all the staff members and students participated with zeal and enthusiasm. They learnt different Yoga techniques and Aasans which must be practiced in daily life to be healthy and fit.

7TH CONVOCATION

The University organized its 7th convocation on 11th March, 2023. On this occasion Capt. Shakti Singh, Deputy Commissioner, Jhajjar, was invited as chief guest. The students from various courses were awarded degrees in the presence of Prof. V.K. Aggarwal, Pro-Chancellor and Prof. Poonam Malik, Registrar of the university. The Registrar thanked the dignitaries, parents, faculty for making this ceremony a success with their presence and wished a wonderful life journey to the graduates, post-graduates and Ph.D holders.

1. SEMINAR ON “ROLE OF GURU NANAK DEV TOWARDS PEACE”

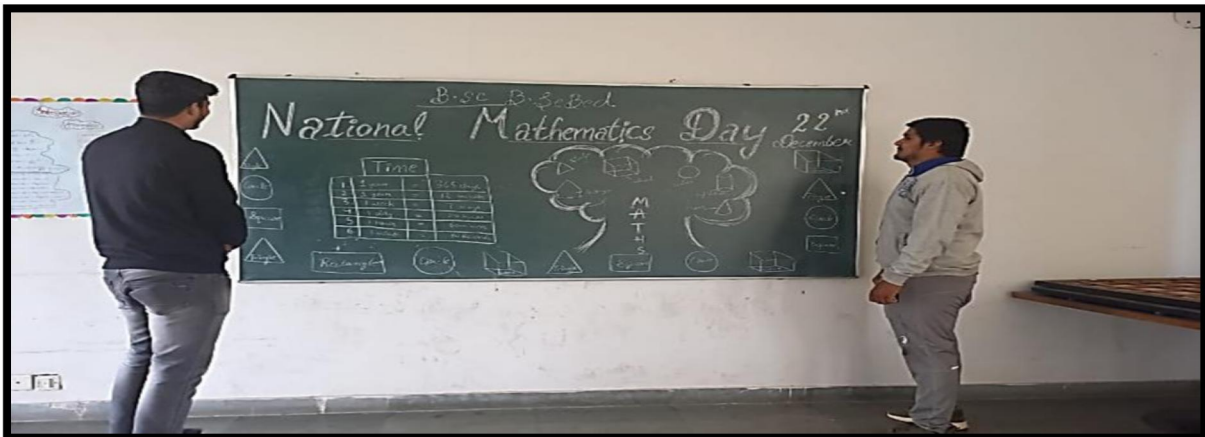

A seminar on “Role of Guru Nanak Dev towards Peace” was organized by Department of Science, in collaboration with Department of Education, Jagannath University, Bahadurgarh on November 08, 2022 (01:30PM-03:30PM) in the auditorium of the university. Webinar started with inaugural address and key note speech by Ms. Rekha (Convener of the event). She enumerated about the seminar, main objectives of seminar along with ten sermons of Guru Nanak Dev. She explained about all the ten sermons. Then, Prof. (Dr.) Indu Sharma explained in her key note lecture that teachings and sermons of Guru Nanak Dev are very important in the life of everyone. By following his teachings /sermons, one feels peace in life. She said that everyone needs a “Guru” (mentor) to guide on how to lead the right life. Search your mentor (“Guru”) and follow him/her. Lastly, Dr. Niranjn Singh Rathee presented sum up remarks and told about the objectives behind the seminar. The event ended with vote of thanks by Dr. Niranjn Singh Rathee. The event was coordinated by Ms. Rachna & Ms. Babita (Students of B.Sc.B.Ed. Sem 3).

The seminar was very informative for all the participants as it was a brainstorming session about the teachings and sermons of Guru Nanak Dev towards world peace.

2. NATIONAL MATHEMATICS DAY-2022 CELEBRATION

Department of Science celebrated “National Mathematics Day-2022” at University Campus on 22/12/2022; birth anniversary of Srinivasa Ramanujan. Students of the Department of Science actively participated in the celebration. The event was coordinated by Mr. Rinku (Asstt. Prof., Mathematics) and chaired by Dr. N. S. Rathee. Ms. Rachna, student of B.Sc. B.Ed. 3rd semester, told about history and importance of Mathematics Day. Mr. Rinku talked about importance of Mathematics in science and daily life. Ms. Khushbu, student of B.Sc. B.Ed. 3rd semester, explained some important mathematics tricks related to tables. A mathematics quiz competition was organized. Ms. Tannu and Ms. Rachna, students of B.Sc. B.Ed. 3rd semester coordinated Mathematics Quiz. A brief introduction of Mathematics was presented by Mr. Ankit, student of B.Sc. 5th semester. All the students actively participated in event and enjoyed the activities. The event was very informative.

3. EDUCATIONAL VISIT TO SULATANPUR ZOOLOGICAL PARK, GURUGRAM

The Department of Science organized an educational visit to Sultanpur Zoological Park, Gurugram on February 24, 2023. All the students of the Department of Science (students and B.Sc. and B.Sc. B. Ed) were a part of this in visit. Different animal and plant species were identified in the park. Students gained practical experience and enjoyed the beauty of nature in the park.

4. NATIONAL SCIENCE DAY-2023 CELEBRATION

National Science Day – 2023 was celebrated by Department of Science, Jagannath University, Bahadurgarh on February 28, 2023 in the University Auditorium. The event started with lamp lighting and Saraswati Vandana followed by inaugural address by Prof. Poonam Malik, Registrar and Prof. R. S. Malik, Dean (Faculty of Science). Ms. Ritu Ahlawat told about the event and National Science Day. She also told about the contribution of Dr. C.V. Raman and other Indian scientists towards science. First presentation was by Ms. Manisha about “Recombinant DNA Technology”. After that 08 students presented their views about various topics related to basic and applied science. Students also prepared posters on the theme. A Science Quiz competition was also organized. A cultural event was also organized in the end.

The event concluded with valedictory address by Hon’ble Registrar followed by vote of thanks by Dr. N.S. Rathee.

Students were awarded medals for their oral presentation, poster making, cultural and quiz competition performances.

1. WORLD PHARMACISTS' DAY

World Pharmacist Day was celebrated on 23rd September 2022 with tremendous joy by all staff and students of Department of Pharmacy, Jagannath University Bahadurgarh. “Pharmacy United in Action for a Healthier World” was the theme of World Pharmacists Day this year. The theme aimed to showcase pharmacy’s positive impact on health around the world and to strengthen solidarity among the profession further. The program was inaugurated by Prof. Poonam Malik, Registrar, by lighting the lamp. She addressed the audience and explained the importance and qualities of the pharmacist and also said that without correct knowledge of the medicines the practice of the pharmacist is harmful to society and patients. She also thanked pharmacists for saving lives during the pandemic. Students and faculty members took “The Pharmacists Oath” on this occasion. The day started enthusiastically with the rangoli competition and students made rangoli on themes like “Save Girl Child” and “Know Your Pharmacist”. The students also visited chemist shops in Jhajjar and Bahadurgarh to felicitate the pharmacists. Cultural activities were also organized by the students in which along with the dance performances students presented a skit depicting the “Role of Pharmacist in Patient Care.” At the end of celebration, Dr. Varun Arora, Dean, Academic Affairs, congratulated all staff members and students for their efforts and dedication for making the event a grand success.

2. INDUSTRIAL VISIT TO YAKULT PVT. LTD.

On 1st of November 2022, 55 Students of Department of Pharmacy Jagannath University Bahadurgarh visited Yakult Danone India Pvt. Ltd., Sonipat, Haryana accompanied by TPO and faculty members.

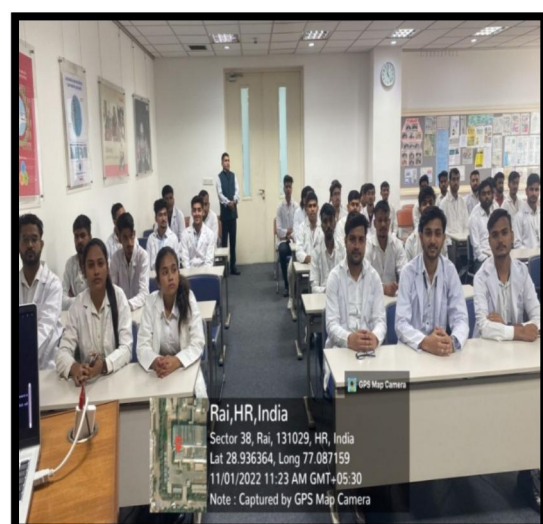

The objective of this industrial visit was to give exposure to the students about manufacturing, processing, and distribution of Probiotic fermented milk drink. Students were welcomed by the Yakult Staff and led to a hall for briefing about the tour and the regulations. Afterwards, Yakult QA team members gave the presentation enhancing students' knowledge and briefing them about the product and its origin. Meanwhile everyone was presented with refreshments by Yakult. After the question and answers round, a QA team member of Yakult guided students for the industry tour.

Students were initially taken to the Seed room, where the ingredients are weighed and culture is added to produce a product.

Next visit area was culture and mixing room, where the culture is kept for another 3-4 days for further fermentation that is then homogenized and stored. In the next site - Quality Control Room, the sample is taken for testing and once the batch fulfils all the required set of parameters it is ready to be filled.

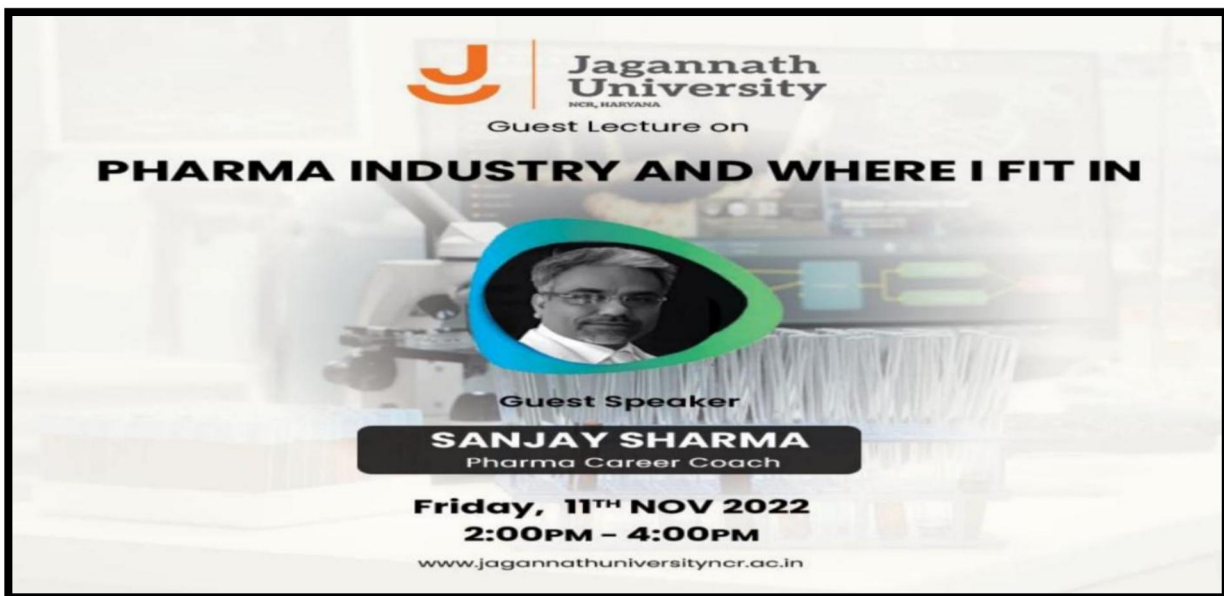

Further there was a Mounting Room, Filling Room and Packaging Room, where bottles were being made and then they were taken to packaging areas where the filling, capping, labelling and packaging of bottles and storage was happening which were stored at the Preserving or Cold Storage Area.

This tour was highly informative for all students in context to their Industrial Exposure and for awareness on healthy living sources.

3. GUEST LECTURE ON PHARMA INDUSTRY & WHERE I FIT IN

Guest Lecture on “Pharma Industry and Where I Fit In” by Mr. Sanjay Sharma (Pharma Career Coach) was organized on Friday 11th November, 2022. He emphasized that college students shouldn’t overlook the importance of personal management, time management, punctuality, being presentable as professionals, which would all add up to their reputation and performance evaluation sheets that most reputable corporates in India are keen upon. He stressed, being employed does not only mean that one would receive a pay check regularly, it also means meeting the expectations of the company and delivering the best of oneself. He also explained different job opportunities in pharma industries and also emphasized on how one can fit himself in pharmaceutical industry.

4. GUEST LECTURE ON “AIM HIGH & SET RIGHT CAREER GOALS” & “NATIONAL FOOD SECURITY MISSION”

A guest lecture was organized at Jagannath University Bahadurgarh on “*Aim High and Set Right Career Goals*” and “*National Food Security Mission*” on 15th February 2023.

Prof. Poonam Malik, Registrar welcomed Honourable SDM Jhajjar, Sh. Ravinder Kumar, HCS and Sh. Ishwar Jakhar, Dy. Director, Department of Agriculture, Jhajjar as the chief guests of the talk.

Sh. Ravinder Kumar, who himself is a source of motivation for students, gave encouraging examples from his own life and inspired students to set a goal based on their interests. He said that students will face many difficulties to achieve the goal, but they have to keep moving forward with all hard work.

Sh. Ishwar Jakhar, talked about “National Food Security Mission: District Level Festival”. He emphasized on the health benefits of millets and coarse grains. He highlighted the role of millets in ensuring food security and nutrition and their potential to ensure increased income for farmers with poor resource.

The lecture was conducted as an interactive session wherein the quantum of queries raised by the audience was addressed.

1. WORLD PHYSIOTHERAPY DAY CELEBRATION

Department of Physiotherapy, Jagannath University, Bahadurgarh, organized a free health camp on 8/09/22 on the occasion of “**World Physiotherapy Day**” for specially abled children at Navodya School of special Education & Rehabilitation, Vocational Training & Research Centre, Gurukul Mor, Rewari Road, Jhajjar. In this camp, the students of physiotherapy did assessment of neurological conditions and treatment plan was discussed under the guidance of Dr. Jyoti, HoD, Dr. Sonia, Dr. Preeti. Sh. Somveer Singh Goyal, Head of Navodya School along with Mr. Pradeep Shastri & his team members welcomed the team and were present during the entire session. The students came to know about the vocational rehabilitation & learned new techniques helpful in neurological conditions.

Students of Physiotherapy were also present during district level female wrestling competition organized in Gurukul, Jhajjar.

After the camp, a quiz competition was also organized with respect to physiotherapy subjects & general awareness, in which students participated eagerly & prizes were distributed to the winners. Organizing camp is a way through which the department is able to deliver better content to the students as well as the practical knowledge conditions. For enhancing the students knowledge such type of camps provide a better clinical exposure and better patient handling.

2. SGT UNIVERSITY PHYSIO EXUBERANCE

The Students from Department of Physiotherapy visited SGT University on 9th and 10th September 2022 and participated in two-day sports and cultural event “**SGT PHYSIO EXUBERANCE 2022**”.

On 9th September 2022, competition in Volleyball, Chess, Race 100 metre, Lemon Race, Treasure Hunt, Skipping, Burpees and Plank Hold were held. Our talented students participated in Lemon Race, Plank Hold and 100 meter race and won First, Second and Third Prizes respectively.

On 10th September 2022, Cultural Activities highlights were Fashion Show, Nukkad Natak, Music Band Competition, Singing face off/Rap and Photography. Our Students participated in Nukkad Natak based on spinal cord injuries, and prevention and won Runners Up Trophy. Dr. Ayasha Jhajjaria (PT) Assistant Professor guided and cheered our students at the SGT University with her presence.

3. PHYSIOTHERAPY AWARENESS CAMP IN VILLAGE CHHUDHANI, JHAJJAR

Department of Physiotherapy, Jagannath University, Bahadurgarh organized a free physiotherapy awareness camp on 24/02/23 at Village Chhudhani, Jhajjar. In this camp the students of Physiotherapy assessed various Orthopedic and Neurological conditions of the patients. Around 50 patients with back pain, neck pain and knee pain were treated on the spot and precautionary measures were taught. Our students actively participated in the camp. From the department Dr. Sonia, Dr. Preeti and Dr. Manila were present. From village Chhudhani, Mr. Virender Sahwag, Sarpanch of the village, was also present on the occasion.

4. PHYSIOTHERAPY AWARENESS CAMP AT SAVERA SCHOOL, JHAJJAR

Department of Physiotherapy, Jagannath University, Bahadurgarh, organized a free physiotherapy awareness camp organised on 28/04/23 at Savera school, Jhajjar for differently abled children. The school is run under the Ministry of Social Justice and Empowerment for special children to fulfill their needs of education, empowerment and other curricular activities.

Students assessed the children with different disorders and various corrective Physiotherapy measures were taught to their special educators for correcting poor posture, preventing further contractures and improving mobility of those children. It was indeed a great experience for students as they learnt a lot. Our students actively participated in camp. From the department Dr. Sonia and Dr. Ayasha Jhajjaria were present. Organizing a Camp is a way through which the department is able to deliver better content to the students as well as the Patient Condition. For enhancing the knowledge of the students, such types of camps provide a better Clinical exposure and patient handling.

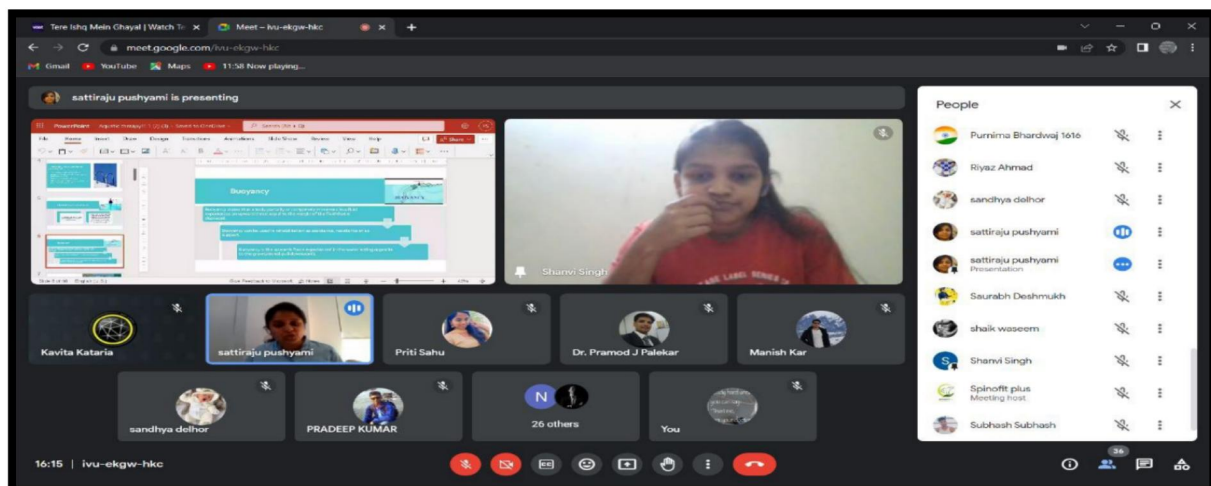

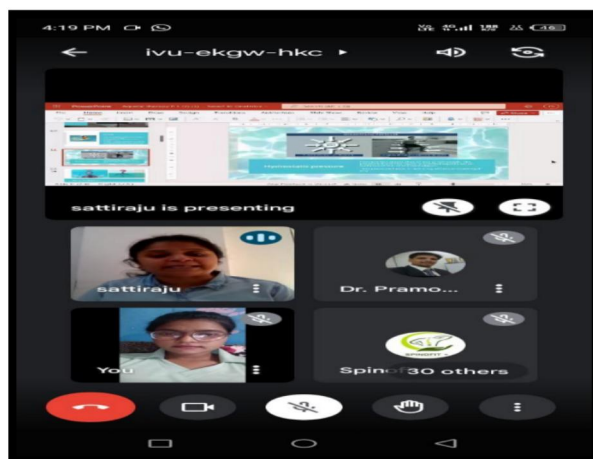

5. WEBINAR ON AQUATIC THERAPY

Department of Physiotherapy, Jagannath University, Bahadurgarh organized a Guest Lecture presented by Dr. S. Pushyami (M.P.T) (USA) On Aquatic Therapy on **29/04/23** Online.

Physiotherapy measures were taught to students with Patient handling techniques during aquatic therapy session. Physiotherapy approach towards upper limb, lower limb and trunk exercises was taught. It was indeed a great experience for students as they learnt a lot. Our students had actively participated in lecture.

Organizing a Camp is a way through which the department is able to deliver better content to the Students as well as the Patient Condition. For enhancing the Student knowledge, such types of Camps provide a better Clinical exposure and patient handling.

6. SUCCESS STORIES OF THE DEPARTMENT OF PHYSIOTHERAPY

“I Kanta, 70 years old Female, resident of village Dulhera was suffering from shoulder pain for the last couple of years. The pain was so severe that I was unable to raise my hands and perform the activities of daily life. I visited Medanta Hospital, Gurugram, The doctors there advised me surgery of shoulder joint. Then I visited Physiotherapy Department of Jagannath University, Bahadurgarh, Before coming here, I had pain and was unable to move my shoulder. After continuous treatment for one month my pain vanished completely and the range improved in no time. After that, the treatment was for alternate days for couple of weeks. After entire treatment there was no pain and full range of motion in shoulder. Now I am pain free and on home exercise regimen. I thank and appreciate the treatment that Jagannath University provided me”.

“I Madhumati, 46 years old Female, resident of village Kherka fell and fractured my hand. My hand was plastered for a month following the injury. After the plaster was removed my hand was highly inflamed and stiff, as a result of cast there was no movement in the joint. I visited a local healthcare provider of the neighbourhood, but the condition didn't improve. Then, I visited Physiotherapy Department of Jagannath University, Bahadurgarh. After the treatment of 15 days my inflammation reduced and the range of motion of joint improved.”

1. VISIT TO KISAN MELA

Chaudhary Charan Singh Haryana Agricultural University, Hisar, organised a Kisan Mela on September 13, 2022. There was a large congregation of farmers and other stakeholders from across the entire country. One of the unique features of this mela was that there were more than 300 live demonstrations of different crops; intensive interactions between farmers and scientists in regional languages; etc. Professor B.R. Kamboj, Vice-chancellor, CCSHAU, Hisar, inaugurated the Kisan Mela, whose theme was "Water Conservation". He appreciated the efforts of agricultural scientists and called upon farmers to produce more cereals, pulses, oilseeds, and horticultural crops using modern techniques to meet the growing demand.

The Vth semester students of the Department of Agriculture, accompanied by Dr. Amit and Dr. Sagar, visited this Kisan Mela. Various technologies developed by CCSHAU were displayed in the thematic pandal, where some progressive farmers also shared their experiences with the latest technologies with the students. The students saw different varieties of pulses like kidney beans, chicken peas, etc. and cereals like maize, wheat, rice, etc. Nutritionally-improved varieties of vegetables like capsicum, cauliflower, broccoli, tomato, etc and fruits like the mango, bael, melons, and banana were also displayed. The students also got a chance to interact with Dr. Kuldeep (Maize Breeder), who shared his experience. He also explained the different varieties and species of maize and how and when to use pesticides and herbicides in this crop.

2. TRAINING PROGRAMME ON MAKHANA CULTIVATION

The students of B.Sc. (Hons.) Agriculture 5th semester opted for the training of “Makhana Production” organized by “Jhajjar Power Limited” at Samvad Bhavan Jhajjar, Haryana. The main objective of this training was to impart knowledge on Makhana (Fox Nut) cultivation to students.

During the valedictory session, the participants were asked to express their views regarding the training pertaining to fox nut. In an open environment, the participants expressed their views regarding the training, its duration, contents, faculty members and their suggestions for future improvement. This training was immensely beneficial to the participants as it provided insight and practical aspects of Makhana Cultivation besides the theoretical knowledge. The participants were satisfied with the assistance/facilities provided by the staff/officials during their 5 days training.

This training was undertaken by resource persons: Dr. Sandeep Gandhi, Registrar, Kalinga University, Dr. Sushma Dubey, Head of the Department of Biotechnology, Kalinga University and Mr. Priyesh Kumar Mishra, Lab Assistant, Dept. of Biotechnology, Kalinga University.

3. WORLD SOIL DAY

The event started with an introductory talk by Dr. R.S. Malik (Dean) on ‘Soil Health’, who gave a briefing about of the event. He discussed about the importance of soil among various living beings, biodiversity, deforestation and how humans are involved in degrading soil quality. He also emphasized on the improper disposal of medical waste and its impact on the soil. Finally, as a solution, he suggested using the contouring methods of cultivation and ensuring that the soil should be covered with green materials.

A quiz competition was organized among the students of the Department of Agriculture in which seven teams participated. Questions related to soil health were asked by the faculty and as per rules the teams were evaluated and the winners of 1st, 2nd and 3rd position were awarded with suitable prizes.

The students of agriculture science also participated in slogan writing on World Soil Day on Soil Health topics. Nearly 14 students participated in this activity. The evaluation was done by the judging committee and the best three posters were awarded accordingly.

In the concluding session, Dr. R.S Malik addressed the students and talked about activities organized and encouraged the students for their participation. Dr. R. S. Malik and faculty members distributed prizes to the students. We would like to thank Registrar Madam for her continuous support and motivation for such activities. The programme ended with a vote of thanks.

4. Visit to Krishi Vigyan Kendra, Rohtak

Krishi Vigyan Kendra, Rohtak organised a mini ‘Kisan Mela’ on October 19, 2023 on the occasion of rabi season, where all innovative and progressive farmers and agriculture officers from different KVKs like KVK Jhajjar, KVK Bhiwani, etc. participated. Final year students of the Department of Agriculture joined the mela and attended the lecture delivered by Dr. Sukirti, KVK Rohtak on ‘Importance of Soil and Water Testing in Sustaining Soil Health’. Another lecture on “Management of Plant Residues” was delivered by Sr. Coordinator Meena Siwach, KVK Jhajjar. After that, a short lecture on plantation crops was given by Dr. Kamal Saini (DHO, Rohtak) on “Government Schemes and The Provision of Subsidies to Horticulture”. In addition to this, Dr. Karam Singh, DDA, Rohtak, spoke on “Environmental Related Issues” in the Rohtak zone due to the burning of plant residues. After lecture sessions, students visited all the stalls in the Kisan Mela.

Visit to KVK Rohtak provided students with a great opportunity to interact with both farmers and scientists to understand the modern technologies to be used in agriculture and other environmental issues due to the burning of plant residues. Students also gathered information about new varieties released by the scientists. It was indeed a great opportunity for students, as they explored a lot of information that helped them regarding their queries. They were curious to know more about various facts about the Kisan Mela and hope to return next year.

1. ONLINE FIVE DAY FDP ON RESEARCH METHODOLOGY

A Faculty Development Program was conducted by the Department of Management and Commerce from 22 Aug to 26 Aug, 2022. The objective was to impart knowledge about the basics of Research Methodology and also to provide practical knowledge of the tools and techniques of the research. The organizing chair of the FDP was Dr. Parveen Chauhan and the event was organized by the faculty of the management and commerce (Dr. Sushil Kumar, Dr. Himanshu Kataria, Ms. Neha Bhat and Mr. Anil). The mode of meeting was Google Meet and session wise attendance and feedback was collected from the participants. The theoretical foundation of the research was discussed by the faculty of the management and commerce (Dr. Parveen Chauhan, Dr. Sushil, Dr. Himanshu Kataria, Ms. Neha Bhat and Mr. Anil). Practical knowledge was imparted by the eminent speakers (Dr. Babita, Dr. Shikha Agarwal, Dr. Shish Pal, Dr. Sangeeta and Prof. I C Gupta). through the FDP the participants acquired better. Understanding regarding the basic Research Methodology.

A total of 121 Participants were registered in this program through online mode pan India. 43 Participants who attended five or more sessions were awarded with certificates.

2. ONE DAY WORKSHOP ON QUALITY CONCERNS IN RESEARCH & ACADEMIC WRITING

The Department of Management and Commerce conducted a workshop on Quality Concerns in Research & Academic Writing on 21st January, 2023 in the University Auditorium. The objectives were to understand the structuring of the research writing along with the understanding of basics of academic writing. The eminent speaker of this workshop was Prof. (Dr.) M.C. Sharma (M.Sc, M.Ed, M.Phil, Ph.D., Delhi University; Project Director of UNICEF Project on Teacher Education and Member of NCTE, MHRD, NCERT, ICSSR & UGC). The Organizing Chair (Dr. Parveen Chauhan), Convener (Dr. Sushil Kumar) and Coordinator (Dr. Himanshu Kataria) along with the Managing Committee ((Dr. Geeta, Ms. Neha Bhat and Mr. Anil) organized the event. The participants gained knowledge about the basics of the quality concerns in research and academic writing. Attendance and feedback were collected from the participants

The eminent speaker Prof. (Dr.) M.C. Sharma elaborated the concept of research writing in detail. He started with the selection of topic of research which must be attractive, presentable, catchy and well framed. After that he explained the sensitivity issues related with research in the areas of emotion, religion and culture. Then he highlighted the usefulness of the structure of the proposal. He explained the importance of the justification and projective techniques while conducting research. At the end he explained the importance of implication and solution presented during the research. The session ended with the discussion with the participants and a vote of thanks to all participants and speaker by Dr. Parveen Chauhan.

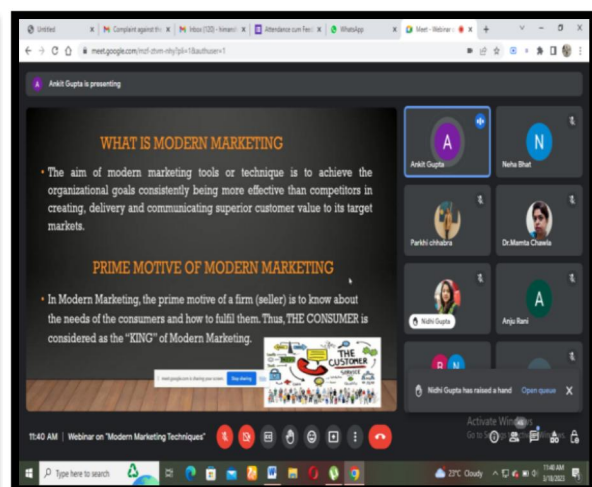

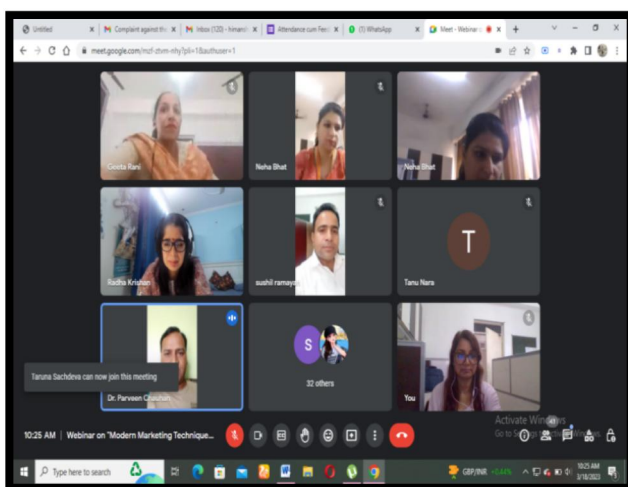

3. ONE DAY WEBINAR ON MODERN MARKETING TECHNIQUES

The Department of Management and Commerce conducted a webinar on Modern Marketing Techniques on 18 March, 2023. The objectives were identifying the importance and key benefits of modern marketing techniques, building a modern marketing strategy that guides an organization and defines the core audience in order to align key topics that drive engagement and conversions and also develop modern marketing strategies across the consumer journey and associated KPIs.

The eminent speakers of this webinar were Dr. Gayatri Chopra (Associate Professor, BPIT College, GGSIPU) and Mr. Ankit Gupta (Assistant Manager, Luminous Power Technologies Pvt. Ltd.). The Organizing Chair (Dr. Parveen Chauhan), Convener (Ms. Neha Bhat) and Coordinator (Dr. Himanshu Kataria) along with the Managing Committee (Dr. Sushil Kumar, Dr. Geeta and Mr. Anil) organized the event. The participants gained knowledge about the current trends of the modern marketing techniques. Attendance and feedback were collected from the participants

Dr. Gayatri Chopra started her session with the traditional concept of marketing and then explained the modern marketing techniques in detail. She highlighted on some of the latest marketing trends like AI for marketing, importance of Voice Search marketing, IoT, Hyperlocal marketing and importance of Live Videos. She concluded the session by highlighting the importance on research for a successful marketing strategy implementation. Mr. Ankit Gupta on the other hand explained the four pillars of the modern marketing (Social media, Affiliate marketing, Email marketing and Content marketing). The session ended with the discussion and a vote of thanks by Dr. Sushil Kumar. 70 Participants attended the workshop and were given certificates.

1. VISIT TO DISTRICT PRISON, JHAJJAR

The Faculty of Law, Jagannath University, Bahadurgarh, Delhi NCR, organized a visit to District Jail, Jhajjar, in collaboration with the District Legal Services Authority on 13th June 2023.

The students of Faculty of Law along with faculty members, Dr. Arti Sharma, Dr. Aman Malik, Ms. Sahiba Chhabra, and Dr. Rekha Kumari, visited the District Jail, Jhajjar. The group was given a guided tour of the jail facility, cells, barracks, recreational areas, and healthcare facilities. The students had the opportunity to observe the living conditions and infrastructure within the jail premises.

The Chief Judicial Magistrate cum Secretary (District Legal Services Authority), Mr. Arvind Bharat Bansal, conducted a session on legal aid services available to prisoners. He explained how they can get help from a legal aid organization and discussed the different ways prisoners can seek help and find solutions to their problems. In the end, a vote of thanks was given by Dr. Arti Sharma and the students had a special brief interaction with Mr. Arvind Bharat Bansal. He furnished his valuable advice to the students. The students found this visit to be a new learning experience.

The visit to District Jail, Jhajjar, organized by the Faculty of Law, Jagannath University, in collaboration with the District Legal Services Authority, was a significant and enlightening experience for both the students and faculty members involved. The objectives of the visit were successfully met, as it provided a unique opportunity to bridge the gap between theoretical legal knowledge and the practical realities of the criminal justice system.

2. CONSTITUTION DAY

On 23rd November, Department of Law celebrated the 73rd Constitution day by organizing the Jigyasa Quiz competition and Debate competition in collaboration with District legal service Authority. Prof. Poonam Malik, Registrar welcomed the Chief Guest Sh. Arvind Bharat Bansal ji (Chief Judicial Magistrate). The Chief Guest delivered a lecture on the Fundamental Rights and Duties and also explained the Importance of Amendment. The Chief Guest also had an interaction session with the Law students and solved the query of students. The session was very meaningful for the law students. The winners of day were rewarded. The entire University faculty and students enthusiastically participated in the event. The Head of the Department Dr. Arti Sharma concluded the event by giving a vote of thanks to the Chief Guest and also heartfelt gratitude to Registrar Mam was extended and all concerned Heads of the Departments of the University for the Continuous Support.

डीएलएसए की ओर से जगन्नाथ यूनिवर्सिटी में मनाया संविधान दिवस

जिला विधिक सेवा प्राधिकरण के सचिव अरविंद कुमार बंसल को संविधान दिवस कार्यक्रम के तहत पौधा भेंट करते हुए । ● डीपीआरओ

इज्जर, विज्ञप्ति : हरियाणा राज्य विधिक सेवा प्राधिकरण के निर्देशानुसार जिला विधिक सेवा प्राधिकरण इज्जर द्वारा शनिवार को जगन्नाथ ला यूनिवर्सिटी कबलाना में संविधान दिवस मनाया गया। जिला विधिक सेवा प्राधिकरण के सचिव अरविंद कुमार बंसल ने विस्तार से जानकारी देते हुए बताया कि संविधान दिवस के उपलक्ष्य में एक सप्ताह की कैम्पेन इज्जर जिले

के जिन स्कूलों कालेजों में लीगल लिटरेसी क्लब बने हुए हैं, उन सभी में क्विज प्रतियोगिताएं हो रही हैं। संविधान दिवस का मकसद देश के नागरिकों में संवैधानिक मूल्यों के प्रति सम्मान की भावना को बढ़ाना है। देश में हर साल 26 नवंबर को संविधान दिवस के रूप में मनाया जाता है। 26 नवंबर 1949 को देश की संविधान सभा में मौजूदा संविधान को अपनाया था।

3. VISIT TO PUNJAB & HARYANA HIGH COURT, CHANDIGARH

The Department of Law, Jagannath University, Bahadurgarh, organized a visit to the Punjab & Haryana High Court, Chandigarh on 24th July 2023. Our students witnessed the live proceedings in the Double Court Bench of Justice Rajmohan Garg and Justice Lisa Gill and in another Court of Justice Arun Palli. Through this enlightening visit, our students acquired a wealth of knowledge, practical exposure of court system. It was an enriching experience for the students. This visit helped the students in understanding the role of courts in dispensing justice, the role of advocates in court proceedings, the way case is conducted in the High Court. This visit included an in-depth study of the day to day functioning of the Civil and Criminal matters in the High Court.

1. ONE DAY NATIONAL WEBINAR “ENHANCING ENTREPRENEURSHIP EDUCATION AND SKILL DEVELOPMENT”

Faculty of Education, Jagannath University Bahadurgarh organized a one day online National Seminar on the “Enhancing Entrepreneurship Education and Skill Development” on 26th August’2022. The seminar focused on the encouragement of the growth of Entrepreneurial consciousness at Higher Education Institutions and Universities.

The dignitaries present were Prof. (Dr.) M.C. Sharma, Director, Teacher Education, UNICEF, New Delhi, Dr. Suman Nehra, Principal, DIET SCERT Delhi and Dr. Abhilasha Gautam, Principal, Army Institute of Education.

The Key Note address was given by Prof. M.C. Sharma. He highlighted the impact of entrepreneurship development on the creation of jobs. He mentioned the importance of EDP and Government roles at all level of Entrepreneurship. He emphasized on the need of “Aatmanirbhar Bharat”.

2. SEMINAR ON “ROLE OF GURU NANAK DEV TOWARDS PEACE”

A seminar on “Role of Guru Nanak Dev Towards Peace” was Organized by Department of Education, Jagannath University, Bahadurgarh in collaboration of Department of Science, Jagannath University, Bahadurgarh on Tuesday; November 08, 2022 in auditorium of the university. Webinar was started with inaugural address and key note speech by Ms. Rekha (Convener of the event). She told about the seminar, main objectives of the seminar along with the education and ten sermons of Guru Nanak Dev. She explained all the ten sermons very well.

Then, Prof. (Dr.) Indu Sharma explained in her key note lecture that education and sermons of Guru Nanak Dev are very important in life of everyone. If anyone follows his education and sermons, he/she will feel peace in life. She also said that, everyone needs a “Guru” (mentor) to guide on how to lead the right life. Search your mentor (“Guru”) and follow him/her. Prof. Niranjn Singh Rathee presented sum up remarks and told about the objective behind seminar. The event ended with a vote of thanks by Dr. Niranjn Singh Rathee.

3. CHILDREN'S DAY CELEBRATION

Department of Education celebrated Children's Day in collaboration with Department of Science in order to create awareness among the students towards the Children's Rights. On this occasion, Prof. Indu Sharma Head, Department of Education, Prof. Niranjana Singh Rathee, Head, Department of Science and other faculty members and students distributed sweets, and gifts to children, in an attempt to make it a special day for them. After that, Prof. Niranjana Singh Rathee explained that as a citizen of India we should spread awareness about the welfare of children, mostly those belonging to financially poor and deprived class.

4. POSTER MAKING COMPETITION

Department of Education Jagannath University, Bahadurgarh, organised a Poster Making Competition on the theme 'Ek Bharat, Shreshth Bharat' on 25th January, 2023 in collaboration with Department of Science in order to create awareness among the students towards the Unity in Diversity. The event witnessed active participation from the students of M.Ed. B.Ed, B.A. B.Ed, and B.Sc. B.Ed. Soft certificate were awarded to the participants.

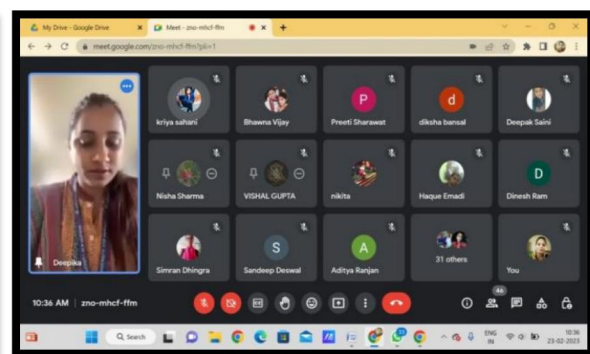

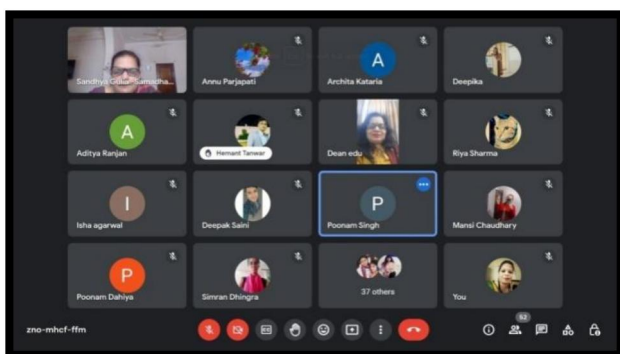

5. ONE DAY NATIONAL WEBINAR/ SEMINAR ON “MENTAL HEALTH AND COPING WITH EXAM STRESS”

Faculty of Education, Jagannath University, Bahadurgarh, organized a one day online National Seminar on the “Mental Health and Coping with Exam Stress” on 23rd February’2023. The seminar focused on the awareness of Mental Health conditions and the remedial ways of removing stress of Examinations of the students at Higher Educational Institutions and Universities.

It started with a welcome address by Prof (Dr.) Indu Sharma, Dean and HoD, Department of Education. She welcomed the Guest Speaker Ms. Sandhya Gulia, Registrar Mam, Faculty and all the students present in the seminar. The dignitaries present were eminent speaker Mrs. Sandhya Gulia, Counselling Psychologist, Samadhan Psychological Solution and Prof. N.S. Rathee, Dean (Research) & HOD, Department of Science, Jagannath University. The Key Note Address was given by Prof. N.S. Rathee. He highlighted about the importance of mental health in our daily life situation and how mental health is helpful in shaping the personality. The eminent speaker Mrs. Sandhya Gulia, started the session by talking about the importance of smile which helps in mental peace. She focused on the awareness of emotional health, types of emotions, stress, etc. She shared her expertise in how to take care of Mental Health and how people experience examination stress. The session ended with the discussion with participants. At the end Dr. Poonam Singh extended a vote of thanks to all participants and speakers.

Mental health is a state of mental wellbeing that enables people to cope with the stresses of life, realize their abilities, learn well, work well and contribute to the nation. It also helps determine how we handle stress, relate to others, and make healthy choices. Nowadays, students are facing so many problems that lead to some or the other kind of stress like exam stress. In this seminar the main focus was given on the stress relieving techniques and in identifying the triggers which are responsible for the problem.

The seminar was very fruitful and based on very informative ideas shared by the expert.

6. ONE DAY EDUCATIONAL TRIP OF WORLD BOOK FAIR

The 31st edition of New Delhi World Book Fair (NDWBF), being held for the past 50 years, was a major calendar event in the publishing world. NDWBF 2023 was held from 25th February to 5th March 2023 in newly constructed Halls 2-5 GF at the centrally located Pragati Maidan, New Delhi. The Fair was organized by National Book Trust, India, and an autonomous organization of the Government of India under the Ministry of Education in collaboration with India Trade Promotion Organization. The Fair attracts participation from major publishing houses across the globe with India celebrating 75 years of Independence, the NDWBF 2023 has chosen Azadi ka Amrit Mahotsav as the theme of the World Book Fair. There were many literary and cultural activities around the theme during the fair days.

Department of Education organized a one-day Educational Trip of World Book Fair on 4th March, 2023. All the students of B.Sc. B.Ed and B.A B.Ed course visited the World Book Fair at Pragati Maidan under the guidance of Dr. Poonam Singh, Dr. Rajesh Dhaka, Ms. Ritu Ahlawat and Mr. Rinku Mehra. The students visited the NCTE stalls No. 18 and 19 especially and explored the books related to Education and Science.

7. QUIZ ON THE THEME “FAMOUS RIVERS, OCEANS OTHER WATER BODIES OF THE COUNTRY.”

Department of Education in collaboration with Department of Science organised a Quiz Competition on the theme “Famous Rivers, Oceans and other Water Bodies of Country” on 18th April 2023.

Ms. Deepika and Ms. Mousam from Education Department and Ms. Manisha and Ms. Alka from the Science Department organised this event. A total of 50 a questions were asked which were based on different water bodies like rivers, oceans, lakes etc. All the students of B.Ed, M.Ed, B.A.B.Ed and B.Sc. B.Ed participated enthusiastically. Prof. Niranjana Rathee and Prof. Indu Sharma motivated the students towards conserving natural resources.

8. INTERACTIVE SESSION ON ATMANIRBHAR BHARAT ABHIYAN

Aatmanirbhar Bharat Abhiyan is the mission started by the Government of India on 13th May 2020, towards making India self-reliant. The Hon'ble Prime Minister, Shri Narendra Modi announced an economic package of INR 20 Lakh crore as aid to support the country in the times of pandemic. It is focused on 5 components- Economy, Infrastructure, System, Vibrant Demography and Demand. The Ministry of Tribal Affairs (MoTA) has been actively pursuing the Atma Nirbhar Bharat Abhiyan through envisioning projects and policies that promote self-sustenance and are self-generating for the tribal community of India. Department of Education and Department of Science organised an interactive session on the theme 'Atmanirbhar Bharat'. Prof. Indu Sharma explained about the 5 pillars of this campaign and gave suggestions to students to become self-reliant and independent like Economy- Quantum jumps, not incremental changes; Infrastructure- Represents modern India; Systems-Technology-driven systems; Demography- Vibrant Demography of the largest democracy; Demand- Full utilisation of the power of demand & supply. Dr. Poonam Singh recited a poem on this theme. All the faculty of Education and Science interacted with the students. The session was very fruitful and knowledgeable.

9. EXPERT LECTURE ON ‘ROLE OF ETHICS IN PROFESSIONAL AND SOCIAL LIFE’

Jagannath University, Delhi NCR, Bahadurgarh, organised an expert lecture on the topic ‘Role of Ethics in Professional and Social Life’ on 22 May, 2023. The lecture focused on the awareness regarding moral and ethical values, how these values can be inculcated in students and what is the role of ethics in professional and social life.

The Programme started at 10:30am with a welcome address of Registrar, Prof. Poonam Malik.

After that, the eminent speaker Dr. Archana Chaudhary started the lecture by emphasizing on the moral responsibility in every profession and moral regulations that ought to regulate a person. Dr. Archana explained her thoughts and concepts with the help of a power-point presentation.

She emphasised that there is a thin line between ethics and morality. By showing videos and giving examples she explained that while a person may be ethically correct but he may not be morally correct. So, one should try to be both ethically and morally correct. Therefore, every person should follow rules to maintain ethics, which will lead to honesty and will ultimately lead to academic integrity. She ended the session by answering the queries of the students. It was a very informative and interactive session for the students. Lastly, Prof. Indu Sharma extended a vote of thanks to all participants and the speaker.

Ethics is a set of rules for conduct that distinguish between acceptable and unacceptable behaviour. Ethics deals with the morality and morality refers to personal and cultural values, code of conduct and social values. A code of conduct is a guide to an individual’s attitude through which one expresses one’s character as a person that reflects his behaviour in the society. So the main aim of the lecture was to inculcate the ethical and moral values in students as they are the future leaders of the society.
