## **MESSAGE FROM THE VICE CHANCELLOR**

**Prof. (Dr.) Prasad Rao P.V.V**

**Vice Chancellor**

As Vice Chancellor, I extend a warm welcome to the Jagannath University, Delhi NCR, Bahadurgarh. I am pleased to inform you that our university offers the students excellent and comprehensive educational services, as well as a vast selection of extra-curricular activities. The programs offered by the University are taught by well qualified, dedicated and highly experienced faculty who recognize specific requirements of students and accordingly groom them as best citizens.

We strongly believe and promote that educating a girl child is the most effective development plan. Our majority of teachers are female and they will help / guide the students to reach their dreams and aspirations by serving as role models, mentors and caregivers. The University provides special scholarship and incentives to promote girl's education.

Our university committed to its vision and mission of knowledge creation through research and innovation by providing a dynamic learning environment. To take care of each student, we extend full support and guidance to all the students in both academic and non-academic activities.

I extend my best wishes to all our students, faculty and staff and look forward to a greater level of achievements.

I wish utmost success in all your endeavors!

**Prof. (Dr.) Prasad Rao P.V.V**

## **ABOUT THE UNIVERSITY**

Jagannath University, Delhi-NCR, Bahadurgarh has been promoted by Jagannath Gupta Memorial Education Society, established under Haryana State Legislature Act No. 8 of 2013, and approved under Section 22 of the UGC Act, 1956. It started its operations with effect from the Academic Session 2013-14 on its 26-acre campus located at State Highway-22, Bahadurgarh-Jhajjar Road, Dist - Jhajjar.

The University has launched UG, PG and Ph.D programmes as per the approval of Directorate of Higher Education DHE, Govt. of Haryana in the Department of Engineering and Technology, Management and Commerce, Law, Agriculture, Physiotherapy, Pharmacy, Paramedical Sciences, Teacher Education and Vocational Education. The University aims to impart high quality education and promote employability among youth. To achieve this, the University has developed good physical and academic infrastructure, recruited qualified and experienced faculty, and had state-of-the-art classrooms, laboratories and other facilities. To ensure adequate practical exposure to learners, among other things, the technical programs are being implemented with an adequate component of industry exposure.

## **ABOUT THE SPONSORING SOCIETY**

Jagannath Gupta Memorial Educational Society is a non-profit organization established in 1993, registered under the Indian Societies Registration Act of 1860 to earnestly serve the academic and professional education needs of students in the country. The Society, established in the memory of Late Sh. Jagannath Gupta, an industrialist and educationist, has been imparting quality technical and professional education for more than two decades through its various institutions in the States of Delhi, UP, Haryana and Rajasthan. The Society is managed by promoters having a background in academics, industry and business. The Society is fully devoted to the cause of quality professional and technical education.

- The Society has achieved a complete integration in higher education offering opportunities to students from the graduate level to the Ph.D. level. In higher education, the Society is providing educational services mainly in the areas of Management, Information Technology, Pharmacy, Engineering, Law, Journalism and Mass Communication, Physical Sciences, Agriculture Science, Physiotherapy, Arts and Humanities, Allied Health Sciences and Teacher Education. At present, the Society has a combined strength of more than 10000 students and more than 600 faculty members.
- The Society has never ignored its social responsibility. It has always been discharging this responsibility right from its inception in various ways. This CSR initiative was formalized by

setting up Skill Development Centre (SDC) - an initiative to enhance employability among the underprivileged youth of the Indian Society. On completion of its 31 years of existence, the Society once again rededicates itself to the cause of quality education, human resource development and the nation building.

## TRAINING & PLACEMENT

The University has a separate Training & Placement Cell (T & P Cell) which constantly works to invite companies from various sectors to explore placement opportunities for deserving students. The cell provides training to the students to foster professional values and work ethics along with grooming their personality and communication skills. The Industrial Projects taken by the students as an integral part of the study during Internships help the students to practice class learning in real situation. As a fact, many of the students get absorbed/ employed in the same organizations. The department holds Industrial Visits which provide the ideal opportunity for the students to understand the real functioning of the industry and get exposed to different work cultures. Training and Placement Cell also supports feasibility in collaborators and bilateral tie-ups with different Universities for various courses at UG and PG levels and strives to provide a platform for the students to study culture consciousness.

The cell keeps the record of all the students of the university in an open access system (wherever required) to provide them with better career opportunities. We also invite companies from various sectors to run a placement drive for all our eligible students. For this purpose, Job fairs are organized from time to time. The T&P Cell remains involved actively during the entire selection process on an individual basis. The entire mechanism of provision of training and placement for all our students is governed by meeting the norms of industry and local, state and central government guidelines. Training and development initiatives are educational activities within an organization that are designed to improve job performance. The activities involve advancing students' knowledge and skill sets and instilling greater motivation.

Our training and placement Cell has conducted campus drives and online interviews. The top recruiters of our students are Hanu Capus Haring, Noduco, Axelor, Intellipaat, Ids InfoTech Ltd., In Moovidu Technologies, Datopic Technologies Pvt Ltd., Intecons Software Lab, Primathon Technology, Zenith Environment Consultancy, Crystal Crop Protection Ltd, Innidata India Pvt Ltd, Apollo Pharmacies Ltd, Sushima Pharmaceutical Pvt Ltd., Bigbasket, Agricare Corporation etc.

**PLACEMENT ACTIVITIES**

Our students are placed in leading corporate sector industries such as Amzone, NTT Delta, BYJU’S with very good salary package

## **1. ENGINEERS' DAY – 2023 CELEBRATION**

The Faculty Members and the students of the Faculty of Engineering & Technology, of the University celebrated Engineers' Day on 15<sup>th</sup> September 2023. Engineers' Day is a day to celebrate the achievements and contributions of engineers in various fields of science and technology. The day is dedicated to commemorate the birth anniversary of Sir Moksha Gundam Visvesvaraya – one of the greatest Engineers of the country.

## **2. WORKSHOP ON APTITUDE TRAINING**

A “Placement Aptitude Training Workshop” was conducted by the Department of Computer Science & Engineering from 4<sup>th</sup> Oct to 6<sup>th</sup> October 2023. The workshop emphasized the ability to perform tasks and react to situations at work. The engineering students were apprised through activities about ways to effectively carry out a task and solve problems.

Mr. Harsh Kumar conducted workshop on quantitative aptitude and reasoning topics (logical & analytical) to help students understand the concept of aptitude.

### **3. WORKSHOP ON SOFTS SKILLS**

Students of Engineering & Technology at the University, participated in the Soft Skills Workshop organized by the Corporate Resource Centre of the University, from 9<sup>th</sup> October to 13<sup>th</sup> October 2023. Students of Engineering & Technology Soft skills, recognized as essential for personal and professional success, were emphasized during the workshop, focusing on interpersonal communication, adaptability, teamwork, leadership, and emotional intelligence as fundamental aspects of holistic development.

### **4. INDUSTRIAL VISIT**

The Computer Science & Engineering Department of the University, organized an Industrial visit to the Centre for Development of Advance Computing (C-DAC), Noida on 18<sup>th</sup> October 2023.

C-DAC occupies a special place in the evolution of the organization as a premier hub for cutting-edge R&D. C-DAC is advancing the idea of multilingual computing in the nation and bringing IT to the grassroots level. It helps the students understand the new age of technology and R&D.

## **5. IBM SKILL DEVELOPMENT TRAINING**

An “IBM SKILLS DEVELOPMENT TRAINING” was conducted by the Department of Computer Science & Engineering, on 27<sup>th</sup> February, 2024. The workshop aimed to enhance the technical expertise and professional skills of individuals in various domains. Engineering students were apprised through activities about ways to effectively carry out a task and solve problems. The Resource person Mr. Aadarsh, Centre Manager at Anudip Foundation and IBM elaborated about the various technical/certification programmes.

## **6. OUTREACH ACTIVITY/ DIGITAL FINANCIAL TOOL**

On the occasion of Digital Learning Day on 29<sup>th</sup> February 2024, the Department of Computer Science & Engineering conducted an outreach activity in the Bal Vidya Mandir High School, Jhajjar, which focused on digital financial tools. The aim of this initiative was to raise awareness among the students about the importance and benefits of utilizing digital financial services in today's digital age. The students showcase their technical and financial skills.

## **7. SEMINAR ON DATA SCIENCE & ITS FUTURE IN INDIA**

Department of Computer Science and Engineering organized a seminar on "Data Science and its Future in India " in collaboration with IQAC and IIC, on 4<sup>th</sup> March 2024. The keynote speaker was Er. Kamal Kumar Ranga (HES, Govt College, Bahadurgarh). He delivered a valuable lecture on Data Science which was very beneficial for our students. The seminar aimed to shed light on the growing significance of data science in various sectors and its potential impact on India's technological landscape.

## **8. IBM SKILL DEVELOPMENT TRAINING -II**

An “IBM SKILLS DEVELOPMENT TRAINING- II” was conducted by the Department of Computer Science & Engineering, on 21<sup>st</sup> March 2024. The workshop aimed to enhance the technical expertise and professional skills of individuals in various domains.

## **9. INDUSTRIAL VISIT NETWORK BULLS, GURUGRAM**

The Computer Science & Engineering Department of University, organized an Industrial visit to the Centre for Development of Advance Networking to Network Bulls, Gurugram on 30<sup>th</sup> April 2024. The goal of the industrial visit was to achieve a better understanding and practical exposure of Networking Devices and their working.

Network Bulls occupies a special place in the evolution of the organization as Expert level Routing & Switching, Security and collaboration track certifications of Cisco Systems.

## **10. CYBER SECURITY SEMINAR**

Department of Computer Science and Engineering organized a seminar on "Cyber Security Trends, Challenges & Readiness for Next Gen." " in collaboration with IQAC and IIC, on 10<sup>th</sup> May 2024. The keynote speakers were Prof. R. S. Nehra, Mr. Vijay and Mr. Nikhil Jain. Prof. R. S. Nehra has explained the importance of digital literacy and its awareness.

Mr Vijay highlighted the different types of cyber-crimes and how to prevent them in our daily routine. The seminar aimed to shed light on the growing significance of Cyber Security Like password-based authentication, Removable media, Mobile Device Security, Remote working, Cloud Security, social media, Ethical Hacking, Cybercrime & Law Enforcement.

## **AB KI BAAR KISKI SARKAR**

Master's students from the Department of Journalism & Media Management conceptualised, implemented and presented an opinion poll for the upcoming Lok Sabha elections 2024 in the Auditorium. The event "Ab Ki Baar Kiski Sarkar" gave students a platform to get hands-on experience in reporting, anchoring and political analysis as part of their TV production and Political communication courses. The department invited Prachi Parashar - News anchor from India TV as a chief guest to motivate students and share the nuances of live reporting and anchoring. The event presented diverse voices and opinions, fostering a sense of civic participation, as students gathered the opinions of the people from 5 zones of Delhi (i.e. north, south, east, west and centre) to voice their preferences and perspectives on the upcoming elections.

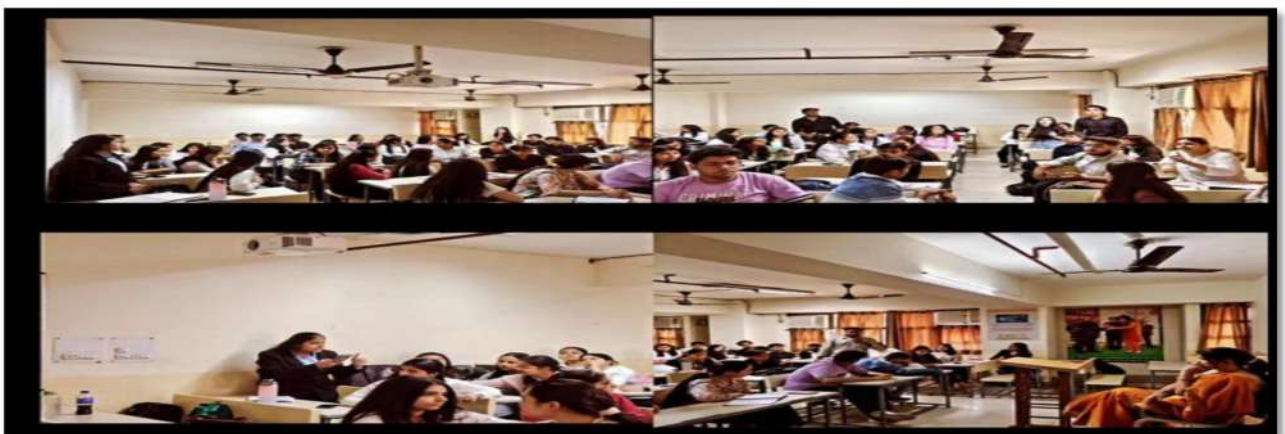

## **TECHNO SPEAK**

It gives us immense pleasure to share that Department of Journalism and Media Management got an opportunity to coordinate the Felicitation Ceremony of Winners, Coordinators & Volunteers of Techno speak held at KMC, DU; organised by Youth for Nation & CARDC under the aegis of Ministry of Culture, GOI. Techno speak is a ppt based competition which was conducted by Youth for Nation & CARDC at different institutions across northern India. All the winners of this competition from JCC and other participating colleges were felicitated at this ceremony.

## **POLITICAL DEBATE**

A Political debate was organised for the students of Journalism and Media Management. Organizing a political debate is particularly beneficial, given their interest in current affairs, communication skills, and understanding of media dynamics. Students gained practical experience in covering political events, interviewing participants, and reporting on debates. This hands-on experience enhanced their understanding of media practices and ethics. By participating in or observing the debate, students can analyse how media coverage shapes public perception of political issues and candidates. They learn to critically evaluate media narratives and recognize biases in reporting.

## **MOCK PRESS CONFERENCE**

The students of the department hosted a Mock Press Conference. The press conference featured the panel of major politicians of the alliance. This student-led event provided a platform for students to delve into the alliance's goals, potential impacts, and its significance for the nation. They played the role of esteemed panellists and also of the reporters. Such, mock press conference not only give hands-on experience to the students of mass communication but also help them to conceptualize and organize press conferences.

## **INTERNSHIP CERTIFICATE FELICITATION CEREMONY**

The Department of English organised an Internship Certificate Felicitation Ceremony which served as an acknowledgment of the relentless efforts and unwavering commitment exhibited by our exceptional students. Miss Priya Chetty, Co-Founder and Managing partner at Project Guru graced this occasion with her meaningful insights and guidance. As we celebrate the achievements of our students, we also look forward to witnessing the positive impact they would undoubtedly have in their chosen fields. This ceremony serves as a testament to the transformative power of education, experience and the unyielding spirit of our students.

## **'IMPERSONATORA' ( CHARACTER PORTRAYAL)**

Literature is filled with adventures of the imagination and of various characters who resemble real-world individuals like their mirror image. The characters usually celebrated in the book leave a remarkable print on the reader's mind. Literature has always stood out for celebrations like character portrayal and one such event 'Impersonatora' was organized by the Department of English on 4<sup>th</sup> October 2023. The honouring guests Mr. Sanjay Chopra and Dr. Swati graced the event. Their presence added a touch of wisdom and enlightenment to the event as they inspired and motivated students.

## **DONATION DRIVE ( COMMUNITY SERVICE)**

The Department of English is delighted to inform you that we organised a donation drive on the 28<sup>th</sup> of October. We urged each and every one of you to participate wholeheartedly and make this drive a huge success.

Many people donated books, clothes, stationery stationery items, snack packets, sanitary napkins or toys. The donation box was kept at the reception from 11 am to 1 pm.

The collected items were donated to a nearby NGO for disbursement among the needy.

## **BI-ANNUAL MAGAZINE: REFLECTIONS.**

The Department of English released its fall edition of bi-annual magazine: Reflections.

The release event was held in the University auditorium and was attended by students, faculty members, and special guests. With Gratitude as its theme, the magazine is a repository of thought-provoking content that informs, entertains and inspires. The magazine features a wide range of articles, essays, poems, and artwork contributed by students. During the release event, several students who had contributed towards the event were recognized and awarded certificates of appreciation. Overall, the release of 'Reflections' was a great success. It provided a platform for students to showcase their creativity and talent.

## **ACADEMIC EXCURSION**

Department of English organised an academic excursion to Sundar Nursery for students. The students delved into the rich history embedded in the architecture and explored the Mughal tombs.

The Sundar Nursery in Delhi is not just a green oasis but a historical treasure trove. Dating back to the 16<sup>th</sup> century, it was originally built by the Mughals and after that the British added their touch in the early 20<sup>th</sup> century. Along with this it serves as a housing a myriad of plant species, including some rare and endangered ones. This intersection of cultures with biodiversity conservation makes Sundar Nursery a unique educational experience for students to study not only its historical significance but botanical as well.

## **SKIT (COMMUNITY SERVICE)**

Swachh Raho, Mast Raho. The street play on sanitation and hygiene was organised by the students of the Department of English on 29<sup>th</sup> November to raise awareness about the importance of maintaining clean and hygienic living conditions. The event aimed to engage and educate the community on practices that contribute to better health and sanitation. The participants effectively communicated the significance of adopting healthy sanitation practices. The street play unfolded in a lively manner, engaging the audience with its vibrant performance and impactful messages. The script focused on key aspects of sanitation and hygiene, addressing issues such as open defecation and the importance of cleanliness.

## **CONVERSE HUB: THE EXCHANGE JUNCTION**

The Department of English organized an intellectually charged discussion forum, Converse Hub: The Exchange Junction, for students on 13<sup>th</sup> December 2023. Our students engaged in a discussion about Ethical Implications of Artificial intelligence, the Freedom of Expression, and the Impact of technology on Mental Health. Ashi Dahiya and Tanya Chawla were moderators and made sure that discussion were carried out smoothly.

## **LITERATURE FESTIVAL**

The Department of English organized a vibrant and engaging Literary Festival (Lit fest) on 20<sup>th</sup> December 2023. The event aimed to celebrate and showcase the literary talents of the students while fostering a sense of creativity and expression. The Litfest comprised three exciting events, each offering a unique platform for students to exhibit their literary and artistic prowess

## COMMUNITY SERVICE

Say No to Plastic: Making a Difference, One Piece at a Time

Students from Department of English dedicated their time to picking up plastic from streets as a part of their community service curriculum. Every piece of litter removed is a step towards a cleaner, healthier environment for all. With great enthusiasm, the students showed their commitment to making our community a better place. This helped inculcating values of cleanliness and understanding the local community.

## WORKSHOP: DEEP DIVING INTO RESEARCH

The English Department recently organised a workshop titled "Deep Diving into Research," with Ms. Priya Chetty, the Co-founder and CEO of Project Guru. The workshop aimed to foster a deeper understanding of research methodologies and techniques. With Ms. Priya Chetty's expertise, the students gained insights into effective research strategies, data analysis, and scholarly writing practices. This workshop played a crucial role in enhancing the research capabilities of students, providing them with practical tools and knowledge to excel in their academic pursuits. The joint efforts with Project Guru, a recognized entity in research consultancy, underscore the workshop's credibility and relevance in academia. Overall, the workshop facilitated a meaningful exchange of ideas and best practices in the realm of research.

## **BI-ANNUAL MAGAZINE RELEASE: REFLECTIONS.**

The Department of English released its spring edition of bi-annual magazine: Reflections.

With Embracing Change as its theme, the magazine features a wide range of articles, essays, poems, and artwork contributed by students.

The Department had the honour of having Professor V. K. Aggarwal, Pro-Chancellor of Jagannath University, as the chief guest to unveil the magazine. The event was marked by the presence of dignitaries, faculty members and enthusiastic students. The student editors were encouraged and felicitated by our esteemed chief guest. The event truly marked the essence of spring.

## **LITERARY QUIZ**

Success is where preparation and opportunity meet. The Department of English opened the doors of opportunity for its students by conducting a literary Quiz on 19<sup>th</sup> April 2024. The students embarked on a captivating journey through the world of Art and literature.

Himanshi Sharma and Tanya Chawla from III year won the first position.

## **MIRAGE (ANNUAL THEATRE EVENT)**

The Department of English organised its annual theatre event, Mirage, on 27<sup>th</sup> May, 2024, as it gives the students an opportunity to compete by presenting different plays from different eras of English Literature. It serves as the best platform for students to practice their creativity in writing, directing, and acting and they learn to explore the depths of the intricacies of human emotions, relationships, and the complexities of our society.
